Nevada raised stock when prop-
erly cared for beats the California
production in flavor and quality.
Gardner takes care of his own
herd, and all meat coming from
his market is bound to be tender
and sweet.

Meat immediately after being
slaughtered is never tender and
should be kept a day or two. In
order to have it fresh after the
expired time it should be kept in
a cool place. M. C. Gardner sells
meat both tender and fresh, as it
is always surrounded by ice at a
freezing temperature.

HOW CAN PARENTS—Allow their
children to cough and calmly say:
"Oh! it's only a little cold," and
keep giving them cheap medicines,
until they are down with lung fe-
ver or consumption, when they
can be so easily relieved by using
BEGG'S CHERRY COUGH SYRUP.
It has no superior and few
equals. W. H. Chedie, Druggist
COUGH! AND COUGH! AND COUGH!
—What in the world is the reason
you will cough and keep coughing
and still keep trying inferior medi-
cines when BEGG'S CHERRY
COUGH SYRUP will positively
relieve your cough at once? This
is no advertising scheme, but an
actual fact, and we guarantee it.
W. H. Chedie, Druggist.

ADVICE TO MOTHERS.—Mrs. Wins-
low's Soothing Syrup should always
be used for children teething. It
soothes the child, softens the gums,
allays the pain, cures wind colic
and is the best remedy for diarrhoea.

want for Constipation, Loss in Ap-
petite, Dizziness, and all symptoms
of Dyspepsia. Price 10 and 75 cents

the fat of the land in his market
and is here to stay. Give him a
call.

COAST NEWS.

J. W. Dorsey of Elko, is in the
city.

The infant daughter of Judge
Belknap is very low.

The infant daughter of A. L.
Lindsay, is not expected to live.

Miss Ella Edwards at last ac-
counts was not expected to live.

The wife of Mr. Peterson the
Photographer, has presented him
with a nine pound boy.

At the annual election on Tues-
day night the arson Guards re-
elected all its old officers.

The ticket winning \$1,250 in
the Little Louise was sold in Car-
son, to Geo. Hark it is claimed.

Mr. Connelly says that if the
Democratic party, in its wisdom
see fit to give him a place on the
County ticket, he will accept.

David De Leon an old and well
known carpenter of this city, has
been missing the last few days.
Fears of suicide are entertained.

Bartine has accepted the chal-
lenge to joint debate with Cassidy.
This gives Bartine the fight by
1500 majority and also insures
Cassidy an audience.

Mr. Bath has drawn out of the
fight for Sheriff. While Mr. Bath
is a very popular young man, he
did a wise thing in withdrawing
as he could not have possibly
beaten so strong a candidate as
Mr. Botsford.

Where mail matter is addressed
to cities or free delivery offices the
street and house number, or post-
office box number of the person
addressed are important, and
should always be given when it is
possible to do so. Where this can-
not be done, the business or em-
ployment of the person addressed,
if stated, will often secure deliv-
ery.

A Fearful Tragedy.

Near the Bradford quicksilver
mine, in Lake county, California,
Friday evening several masked
men raided a saloon kept by Step.
Rich and wife, the result being one
of the worst tragedies reported
from that part of the State for a
long time. As soon as the raiders
entered the place the shooting
began, right and left, and Mrs.
Rich was fatally wounded, being
shot three or four times. Rich was
also wounded, and W. R. McGuire
was shot dead. During the fight
Mrs. Rich pulled the mask off one
man, whom she recognized as
Henry Arcarro, an employee at the
mine. McGuire also worked there.
Fred Bennett, a hanger-on at the
saloon escaped through a window.
Tar and feathers, supposed to
have been ready for use, found
near by.

The raid was no doubt made to
permanently clear the saloon of
the persons occupying it, particu-
larly Bennett. Whether murder
was first intended or not, none but
the raiders can tell.

An inquest is being held. No
arrests have yet been made, though
the parties are shadowed awaiting
the result of the inquest.

The Kentuck Mines.

The control of the Kentuck
mine has passed from the Stev-
enson estate into the hands of
Hon. John P. and S. L. Jones. At
a meeting of the Directors yester-
day afternoon, S. L. Jones was ap-
pointed Superintendent in the
place of A. Conrad, resigned. There
will be no changes in the Directors
until the annual meeting of the
company next month.—S. F. Report.

date for Clerk of the Supreme
Court was in the city yesterday.

who is endorsed by the best busi-
ness men of Virginia City as pos-
sessing the highest capacity for
the place. He is making a
thorough canvass and will pull
his full parties strength.

Simply Atrocious.

Talk about the wildness and
wooliness of Nevada journals.
No Nevada paper would ever
think of perpetrating such an out-
rageous thing as this which comes
from the Oroville Mercury of the
10th:

Quite a number of Native
Daughters of the Golden West
participated in the recent Admis-
sion Day parade in San Francisco.
Among them was rosy cheeked,
clear skinned, bright-eyed lass of
probably nineteen summers who
hailed from the wilds of Shasta.
When the procession was near the
Baldwin Hotel, this young lady
happened to look back and per-
ceived in the rear of the plat-
form in which she was marching
with a parlor of Native Sons, one
of whom was leading a pet bear.
Her face flushed and her eyes
flashed, as she said "Well, I may
be a backwoods gawk from the
logging camp of Shasta, but I'll
be gosh-darned if I'm such a fool
as to travel to San Francisco and
then walk up Market street with
a bear behind!" With that she
dropped out of the line and start-
ed for the hotel where she was
stopping.

The Orphans' Appeal.

Miss Dolly Mc'one has taken
charge of the Orphans' Appeal and
will issue in the coming Fair.

She has enlisted a large staff of
lively writers and will take a hand
in the campaign.

The publisher writes the APPEAL
that the editors and entire staff
will pay for this office in exchange
for advertising.

This is the first concerted
movement of a prayerful nature
made in our behalf for some years
and is accepted on the basis of
one prayer a day in exchange for
one square of advertising space,
which closes up that class of ad-
vertising contract for the coming
year. The subscription price of
the Appeal (Orphans' Appeal) is
one dollar for the series. It is
dead cheap at that figure.

Notice.

W. J. Loofbourrow has just
opened up in the Ormsby Block a
new line of choice confectionery,
Fruits, Nuts, Tobaccos and cigars,
and a full line of Stationery, Blank
Books, School Supplies, Notions,
etc., which will be sold very low
for cash. The public are respect-
fully invited to call and examine
our stock and prices, and a share
of their patronage will be duly
appreciated.

W. J. LOOFBOURROW.

NOTICE.

The time for the registration of
the names of qualified electors in
Empire precinct prior to the gen-
eral election to be held on the 4th
day of November, A. D. 1890, for
the county of Ormsby will expire
at 6 o'clock P. M. on the 20th day
of October, A. D. 1890.

A Card.

I desire to state to the public
that I am still in the bark busi-
ness, and am prepared to furnish
the same in small or large quanti-
ties, at any and all times.

WHAT ON EARTH—is the reason
people will not, cannot, or do not
see any difference in cheap nos-
trums put up by Cheap John
houses or irresponsible parties at
enormous profits, rather than take
a medicine of world wide reputa-
tion and one that is giving univer-
sal satisfaction at equal price? No
medicine in the world is giving
such unparalleled satisfaction for
purifying the blood as BEGG'S
BLOOD PURIFIER & BLOOD
MAKER, and every bottle that
does not do its work, will cost you
nothing.—W. H. Chedie Druggist
